Inventus Mining Appoints New CEO

SUDBURY, ONTARIO--(Nov 3, 2016) - Inventus Mining Corp. (TSX VENTURE:IVS) ("Inventus" or the "Company") announces that Wayne Whymark has retired today as the Chairman, Chief Executive Officer and a Director of the Company. Mr. Whymark will be replaced by Stefan Spears, an existing Director of the Company, in the positions of Chairman and Interim CEO effective immediately. Mr. Spears has been working closely on the Company's projects since joining the Board in the summer, and will be assuming responsibility for advancing exploration, corporate affairs and marketing.

"On behalf of the Board and shareholders I would like to sincerely thank Wayne for his many contributions to Inventus, and we wish him all the best in his retirement," said Stefan Spears, Chairman and Interim CEO.

The Board of Directors will evaluate and appoint new management during the coming months. Mr. Spears has over twelve years' experience as a senior executive in the mining and exploration industry and is currently employed by McEwen Mining Inc. and also serves on the Board of Directors of Golden Predator Mining Corp.

About Inventus

Inventus is a mineral exploration company focused on the world class mining district of Sudbury, Ontario. Our principal asset is the Pardo Paleoplacer Gold Project located 65 km northeast of Sudbury. Pardo is the first important paleoplacer gold discovery found in the Americas. Inventus' significant share owners include Rob McEwen, Eric Sprott, Osisko Gold Royalties and management.
